

Timberlake Christian Schools

Philosophy & Objectives

A CHRISTIAN SCHOOL THAT —

*“Christ, in whom are hidden all
the treasures of wisdom and knowledge”*
Col. 2:3

- Will stress integration of truth as the basis of its philosophy. All that is true originates in God, whether we choose to call it “secular” or “sacred.”
- Will strive to introduce students to Jesus Christ as personal Saviour and Lord of their life and encourage them to grow in their walk with Him.
- Will seek to minister to Christian families so that the goals of the home, church, and school are consistent.
- Will seek to uphold a strong academic standard.
- Will work to provide functional, attractive facilities.
- Will seek a staff of born-again, dedicated Christian believers with proper academic credentials.
- Will strive to evangelize and to be alert to the spiritual needs of parents and students.
- Will strive to motivate students toward Christian service and to be a training ground for the Christian leadership of the future generation.

Timberlake Baptist Church is the parent institution of TCS.
It is intended that supervision, spiritual guidance, doctrinal direction,
and ultimate control will always be vested in the church.
